jandel

¡ Bienvenid@ a casa !

Diferentes estilos

Diferentes necesidades

Diferentes series

UNA MISMA MARCA

DISEÑO FABRICACIÓN DISTRIBUCIÓN

Siguiendo las tendencias del mercado, Jandel presenta su nuevo catálogo aumentando la gama de productos en manivelas, manillones, pomos, tiradores y complementos.

Nuestro compromiso con los clientes y con la arquitectura hace que busquemos maneras nuevas y creativas de resolver los retos que se nos presentan cada día.

Buscamos la EXCELENCIA ya que aspiramos a los más altos estándares de calidad, eficiencia y servicio.

¡Gracias por acompañarnos en este camino.!

CUIDAMOS NUESTRO PLANETA

GESTIÓN DE RESIDUOS

En Jandel estamos comprometidos en disminuir los residuos generados como consecuencia de las actividades humanas, y así contribuir a reducir sus impactos a fin de minimizar los potenciales daños que causan al hombre y al medio ambiente.

DESENGRASE DE METÁLES

Para las industrias en las que el proceso de producción incluye la fabricación o montaje de componentes metálicos, es fundamental una limpieza efectiva de grasas, aceites, taladrinas, desmoldeantes, etc. Nuestros artículos pasan por diferentes equipos para realizar esta operación, siempre con lavado de agua y productos biodegradables.

CUIDAMOS LOS DETALLES

EMBALAJE ECOLÓGICO

El packaging de nuestros artículos es respetuoso con el medio ambiente.

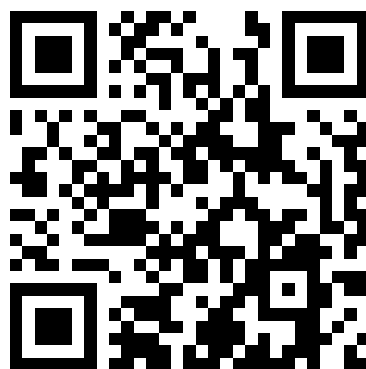

Apostamos por embalajes ecológicos, por ello hemos implementado el uso de materiales reciclados y reciclables.

CERTIFICADO DE CALIDAD ISO 9001-20158

Es la norma internacional más reconocida.

Se centra en todos los elementos de administración de calidad con los que una organización debe contar para tener un sistema efectivo que le permita mejorar su productos y servicios. En Jandel estamos orgullosos de haber implantado esta norma.
